

MEMO TO PARENTS, TEACHERS, AND STAFF

Intrade Corp., originator of the **KID Ink™** program, buys empty (used) ink jet and laser toner cartridges of all kinds - drum units, fusers, etc. - basically, any supply item used in a printer, fax, or copy machine. They also pay for used cell phones!

The program is simple - they do the work, we sit back and wait for the check!

So if you have any, please bring them to the school office and drop them into the **KID Ink™** collection box.

You can also call Intrade at 847-5300 - they will pick up whatever you have for free - just tell them they are for our school.

Mahalo!
